

Strategic Plan

FY23 through FY25

Vision Your place to learn and connect.

Mission We are dedicated to strengthening community by providing access to quality resources, and inspiring lifelong learning in a welcoming environment.

BUILD COMMUNITY TOGETHER

Goals

Develop dynamic outdoor spaces for group activities, connection to nature, and quiet reflection

Support strong technology skills throughout our community by providing access to resources and tools

Inspire community members to engage with and support the library

TELL THE LIBRARY'S STORY

Goals

Make programs and services more visible to the community

Expand community presence beyond the library building

Demonstrate the power of individual growth and lifelong learning

BE FUTURE READY

Goals

Seek continuous improvement based on community needs

Equip staff to deliver creative services and programs that make a difference in the lives of community members

Provide trusted and engaging resources people want that inspire discovery and expanded worldview
